Migration for Development in Africa

You are invited to attend an information meeting for Somali Professionals

on

Qualified Expatriate Somali Technical Support – Migration for Development in Africa (QUESTS-MIDA)

15 December 2009

18.00-21.00

Kanava ry., Neljäs Linja 24 A, Helsinki

Background:

QUESTS-MIDA is a joint initiative between IOM and UNDP Somalia that supports the development of institutions of government by facilitating the transfer of skills, knowledge and experience from qualified Somali expatriates in the diaspora through short-term, capacity-building assignments in key public institutions in Somalia.

Visit: www.quests-mida.org for more information on the project.

The meeting will serve to provide in-depth information about QUESTS-MIDA, as well as to discuss questions and receive feedback from participants.

For more information about the meeting, please contact:
